November 2024

Dear Parent/Carer

It has been an impressive start to The Gilberd School for our Year 7 students. There has been much comment from teaching staff as to how polite and positive they are. I hope that you too feel that your child has settled in well. They are emerging as a cohort of highly capable and resilient young Gilberdians and we are looking forward to seeing what they can achieve.

Your child's first report as a Gilberdian is now ready to access on the Go4Schools website. Unfortunately, reports are not currently available through the Go4Schools app at this time. Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets over the next few weeks. We are only reporting on homework and learner profiles at this time. The next report will also include current and target flightpaths. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilberd School website. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

We look forward to welcoming you this evening for our Meet the Tutor Evening.

Thank you for your continued support.

Yours faithfully

Mr M Wilby
