#### **Examboosting Sessions -Compulsory**

Due to the fact that the exams do not take place until after half term, we also feel it is vital to get all History students together for final intensive sessions of revision. These will re-focus energies, ensure good, effective last minute revision, and allow staff to remind candidates of essential examination technique. All sessions with LHO in room 64.

All must attend and the sessions are scheduled to avoid clashes with any exams. \* **Business Studies students to come Tuesday 8<sup>th</sup> June 3.15pm instead.**

We are obviously keen that all attend these sessions and are posting this to you directly so that you can note the dates on your exam calendar and ensure your child attends the sessions. Even for those candidates who are well-motivated and well-prepared, the chance to meet up with subject staff and run through key topics and techniques is an excellent confidence and morale booster. We would be grateful for your support in this matter and would appreciate an acknowledgement of both this letter and your intention to send your child to the sessions. They need a pen and paper and can bring refreshments. **THEY MUST SIGN IN AT STUDENT RECEPTION.**

Finally, may we take the opportunity to wish you luck in the next few weeks as you encourage your child through the examination period!

Yours sincerely

*L. J. Houghton*
