

About Myself

Your task is to complete a project about yourself that you can share with the new people that you meet when you get to The Gilbert School.

This project can be anything you want it to be. You could: write a **poem**; create a **photograph collage**; make a **Powerpoint presentation** and print it out; draw a **poster** or do something completely different!

You can tell us about your family, your favourite hobby, your time at primary school, your holidays or anything that best tells us what sort of person you are.

Good Luck and we look forward to seeing you and your About Myself project in September.

Name: _____

What I might do for my About Myself project:

Things I need to do:
