No results will be issued over the telephone, nor emailed to students.

The print outs given to students are not certificates, but these will be acceptable evidence to show to post-16 providers when you register for a course.

Post Results Services

If you did not get the grades, you were expecting then it may be possible to request **a review of marking**, depending on how close you are to the next grade boundary. This must be discussed carefully with your subject teacher as grades can go down as well as up. Members of staff will be on hand on results day to advise you what course of action to take. Further information will be available, along with the awarding bodies' costs, when you receive your results in August.
