If the school makes an enquiry about the results of one of your examinations after your provisional subject grade has been issued, there are three possible outcomes:

- Your original mark may be confirmed as correct, and there will be no change to your grade.
- Your original mark may be raised so that your final grade may be higher than the original grade you received.
- Your original mark may be lowered so that your final grade may be lower than the original grade you received.

Papers to be reviewed:

Subject	Exam Board	Level	Paper Reference	Grade

I give consent to The Gilberd School making enquiries about the results of the examinations listed above. In giving my consent, I understand that the final subject grade awarded to me may be lower than, higher than, or the same as the grade which I was originally awarded for this subject.
