

Badges

Badges are designed to recognise and celebrate students' commitment to the wide range of co-curricular clubs and activities offered at our school. They serve as a visible acknowledgment of participation, encouraging students to explore their interests and contribute beyond the classroom.

Each club has been assigned a specific badge category. For example, students in Origami Club will receive an Art Badge.

Students who have attended multiple clubs within the same badge category will receive only one badge for that category. For example, a student involved in Flute Ensemble, Advanced Vocals, and Orchestra will receive a single Music Badge.

PE Badges follow a slightly different structure. Students must have attended a PE or sports club at least six times by the end of the Spring Term to qualify. (Attendance during the Summer Term will be recognised in the Autumn Term.) The PE badges are awarded by year group as follows:

- Year 7 – Yellow badge with the name of the sport
- Year 8 – Blue badge with the name of the sport
- Year 9 – Silver badge labelled SPORT (one badge only, regardless of number of clubs)
- Year 10 – Gold badge labelled SPORT (one badge only, regardless of number of clubs)

Please refer to the below list for a breakdown of clubs and their corresponding badges.

We are proud to celebrate our students' contributions and look forward to continuing to support their personal growth through co-curricular opportunities.

Club	Badge Awarded
Advanced Vocals	Music
Art Club	Art
Art Space	Art
Athletics	Athletics
Automobile Club	STEM
Badminton	Badminton
Basketball	Basketball
Biteback - Food Champions	Biteback
Boys Vocals	Music
