

Year 7 History

Subject Leader: Miss Joanne Lambert

History challenges and fires our curiosity whilst encouraging critical thinking. It helps students to develop their own identities through an understanding of history at a personal, local, national and international level and so make sense of our complex and constantly changing world. It encourages a mutual understanding and respect for the historic origins of our ethnic and cultural diversity. It develops students' desire and ability to play an active role in a democratic society. It promotes the importance of decision-making and independent enquiry as we seek to equip students with the transferable skills required to face the opportunities and challenges of work and life.

Topics to be covered in Year 7

	Term 1	Term 2	Term 3
Topics to be covered	- Local study of Colchester: From the Romans to Rebellion - How did the Normans change England forever? (1066- c.1100) - Who held the power in the Medieval period? (1100-1500)	- Was life all muck and misery in Medieval England? - How can we learn about a period thousands of years ago and thousands of miles away?	- Did the Reformation really 'reform' England? (c.1500- c.1700) - How powerful were the monarchy after 1600? (c. 1500- c.1700) - How did the British Empire's growth impact Britain and the world?

Marking, Assessment and Feedback

Over the course of an academic year students will complete a number of formal assessments, these will be used to assess where students are in their learning journey.

Information from these assessments could be used when making decisions regarding setting of students, reporting progress home and predicting outcome. Current guidelines mean that we cannot provide as much detailed written feedback as it typical. As a result of this, we will during lessons, evaluate students' learning through a range of activities including quizzes, class discussions, detailed questioning and other strategies. Through this, students will know where they are in their learning journey and what they need to do next to make further progress.

Teachers will continue to provide planned written feedback on selected pieces of work.

Homework

Homework will be set using the online platform Go 4 Schools.

Homework tasks are designed to prepare students for future learning or consolidate work completed in the classroom. It will be clear what should be handed in, when it should be handed in and how it should be handed in.
