Dear Parent/Carer

## Re: Invitation to Collaborate with our GCSE Food Technology Department

We would like to invite you to share your expertise with our GCSE students and help build a strong partnership between The Gilbert School's Food Technology department and the local community.

Our aim is to connect with industry professionals who can work with students by sharing knowledge, experience, and skills. We want to provide a curriculum that goes beyond the classroom, offering opportunities such as demonstrations, competitions, trips, and visits throughout the school year.

If you have links to the food industry and would like to learn more about this project, please contact me at: [mho@gilberd.com](mailto:mho@gilberd.com)

I look forward to hearing from you.

Yours faithfully

Ms M Hollands  
Teacher of Food Technology
