Dear Parent/Carer

## Re: GCSE Science Revision Guides

During GCSE study, students have found it very useful to acquire revision materials to help them best prepare for their GCSE examinations.

We are currently studying the EDEXCEL GCSE courses for both Combined Science and the Separate Sciences and would recommend the revision guides by CGP for Edexcel.

Purchase of the guides are of course optional, but, as an extra learning resource that would help with revision, they are recommended.

In addition to the revision guides, there are also revision bundles available to purchase which include a workbook and question cards for additional support.

We are now offering these revision aids via the ParentPay Shop by clicking [here](#), please see prices below:

Guide	Price
GCSE Combined Science For Edexcel Revision Guides	£6.35
GCSE Biology For Edexcel Revision Guide (same price for Chemistry and Physics)	£3.35

Revision bundles (revision guide, workbook and question cards):

GCSE Combined Revision Bundle	£18.75
GCSE Biology revision bundle (same price for Chemistry and Physics)	£10.90

Your child's Science teacher will advise which books and tiers are appropriate. All books are available in both Higher and Foundation tiers; if your child is unsure which tier to choose, please encourage them to ask their teacher for guidance.

Generally, set 1 to 3 will use Higher tier, set 4 will use Foundation or Higher (please check with class teacher) and sets 5 and 6 will use Foundation tier.

For year 9 pupils, if your child is thinking of opting for Separate Sciences as a GCSE, they should talk to their teachers first about which revision guides it would be best to buy.

For year 10 and 11 pupils, these are the same revision guides that we sold last year. Please do check if your child already has them.

Please place your order via ParentPay Shop by **Monday, 26<sup>th</sup> January 2026**.

If you need any further information about this, or any other aspect of your child's education in Science, please do not hesitate to contact me or your child's Science teacher.

Yours faithfully

Mrs C Allen
