Dear Parent/Carer

Re: Revision Guides for GCSE Food Preparation and Nutrition

During GCSE study, students have found it very useful to acquire revision materials to help them best prepare for their GCSE examinations.

We are currently studying the Eduqas GCSE course for Food Preparation and Nutrition and would recommend the revision guide by Collins for Eduqas.

Purchase of the guide is of course optional, but as an extra learning resource that would help with revision, it is recommended.

In addition to the revision guide material, there is also a workbook and practice questions included.

Please note, we are now offering the revision guide via ParentPay Shop, see price below. You can access the ParentPay Shop by clicking [here](#) or by visiting the Parents section on the Gilbert website.

Guide	Price
WJEC Eduqas GCSE 9-1 Food Preparation and Nutrition Complete revision and practice.	£5.75

We would like to place the initial order for revision guide as soon as possible, so please place your order by **Wednesday 25th March 2026**.

If you need any further information about this, or any other aspect of your child's education in Food, please do not hesitate to contact me or your child's Food teacher.

Yours faithfully

Mrs H Woodrow
