July 2025

Dear Parent/Carer

Year 10 have shown great resilience and maturity throughout the year, particularly in preparing for and sitting their recent mock exams. These assessments provide a valuable opportunity for students to reflect on their current progress and identify areas for improvement ahead of Year 11. I encourage all students to use any feedback they have received to refine their revision strategies, seek support where needed and set goals for the year ahead.

Although you received a hard copy of the Spring report recently, we are now able to share with you your child's Summer Term report which is ready to access by going to Login : GO 4 Parents and Guardians (go4schools.com). Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. Unfortunately, reports are not currently available through the Go4Schools app at this time.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets in the next academic year.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilberd School website in the Parents Section in **Parent FAQ**. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mrs N Burman
Head of Year 10

Headteacher: Mr J Mitchell
Brinkley Lane, Colchester, Essex CO4 9PU
