September 2025

Dear Parent/Carer

It is an exciting and often demanding time as your child faces some big decisions regarding their Post-16 education. We will be supporting your child in a variety of ways. They will be working on personal statements with their form tutors during tutor time as well as receiving a series of assemblies with the various providers around this area over the coming weeks.

We would like to invite you to attend our Year 11 Information Evening on the 15th October. Around this time, Open Evenings will be held by the Post-16 providers, with more details to follow.

When your child is applying to their Post-16 providers, one of the requirements will be to provide their predicted grades. Our usual forecasts reported to you are the most likely grade your child will get if they continue working as they have been. We have asked the teachers to predict the best possible grade that your child could get from this point on so it can be used on their application forms.

I am pleased to inform you that your child's Post-16 forecast grades are now available for you to access in the Go4Schools website.

If you have any questions regarding either your child's report or their learning, please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mrs N Burman
Head of Year 11
