Dear Parent/Carer

As we approach the final part of the summer term, it is hard to believe how quickly this academic year has passed. In just a few weeks we will be on our way to Danbury before breaking up for the summer! Over the last half-term students have been taking their end of year assessments in all their subjects. This report is based on those assessments, supported by the work they have produced across the year. Together, these give a clear picture of how well students have developed the knowledge and skills expected by the end of Year 7 and help to identify next steps as they move forward in their education.

Your child's Summer Term report is now ready to access on the Go4Schools website by going to [Login : GO 4 Parents and Guardians \(go4schools.com\)](#). Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. Please note that reports are not currently available through the Go4Schools app at this time.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets over the next few weeks. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

This report includes current and target flightpaths. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilbert School website. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mr S Banham
