Dear Parent/Carer

As we approach the end of the academic year, I would like to take a moment to reflect on the fantastic journey your children have been on. From stepping through the gates as the youngest year group to now confidently navigating school life, they have shown tremendous growth—both personally and academically. It has been a privilege to see them immerse themselves in all that The Gilberd School has to offer, and I am incredibly proud of their progress, enthusiasm, and achievements. We are now looking forward to our much-anticipated Danbury camp, a wonderful opportunity to round off the year and celebrate everything they have accomplished together.

Your child's Summer Term report is now ready to access by going to [Login : GO 4 Parents and Guardians \(go4schools.com\)](https://go4schools.com). Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. Unfortunately, reports are not currently available through the Go4Schools app at this time.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets over the next few weeks. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilberd School website in the Parents Section in **Parent FAQ**. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mr M Wilby
