February 2026

Dear Parent/Carer

As we reach the midpoint of the Spring Term, I am pleased to share with you the first set of reports for our Year 8 students. They continue to be an impressive and enthusiastic year group, and we are incredibly proud of the maturity and commitment they show each day. Many students have recently completed their applications for the Silver Gilbert Way Award, reflecting their engagement with the wider life of the school, and we have once again seen a fantastic range of successes across sports, clubs, and co-curricular activities. With the school show on the horizon, it is wonderful to see so many Year 8's contributing their talents and embracing every opportunity available to them, and we look forward to seeing what they will go on to accomplish as we move into the latter part of the year.

Your child's first report as a Gilbertian is now ready to access by going to [Login : GO 4 Parents and Guardians \(go4schools.com\)](#). Unfortunately, reports are not currently available through the Go4Schools app at this time. Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress.

Your child's teachers, form tutor and I will use the reports to monitor and support your child's progress and learning. Their form tutor will also discuss the report with your child and set appropriate targets over the next few weeks. Some of the subjects will not have a homework profile yet. This will be due to either the practical nature of the subject or the number of lessons per fortnight.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on the Gilbert School website. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Mr M Wilby
Head of Year 8
