March 2026

Dear Parent/Carer

As we move through the spring term, we are pleased to share your child's latest report. This report marks an important first step in the options process as students begin to consider their choices for Key Stage 4 courses. Over the coming weeks, there will be several key opportunities to engage with this process, including our first face-to-face Parents' and Carers' Evening, which we strongly encourage all families to attend. The report shares key information about your child's current attainment and engagement in each subject, which will support discussions about the most appropriate choices for their next steps.

Your child's Spring Term report is now ready to access by going to [Login : GO 4 Parents and Guardians \(go4schools.com\)](https://go4schools.com). Reports will be made available for you regularly to ensure that you are kept informed as to your child's progress. Please note that although our school does use the Go4Schools app for attendance and behaviour, you will be unable to access your child's report on this at present so please use the link above.

Your child's teachers, Form Tutor and I will use the reports to monitor and support your child's progress and learning. Their Form Tutor will also discuss the report with your child and set appropriate targets over the next few weeks. In addition to the ongoing process of mentoring and support by Subject Teams and Year Teams, students also receive individual mentoring from their Form Tutor at least once each year.

If you have any questions regarding either your child's report or their learning, you can read our **frequently asked questions** about reports or the **learner and homework profile** information, located on The Gilbert School website. If the frequently asked questions are unable to answer your query then please contact the relevant teacher, your child's form tutor or myself.

Thank you for your continued support.

Yours faithfully

Ms J Wren
Head of Year 9
